

Compliance Policy Statement

It is the policy of our Company to provide a service and supply products that are legislatively compliant and meet all of the agreed requirements of our customers. This commitment relates to all company activities and can be summarised as the following objectives.

Objectives

- **To work consistently to ISO 9001 and ISO 14001.**
- **Maintain relevant statutory legal and regulatory compliance.**
- **Promote continuous improvement in all our business activities through the development of measurable preventive risk based management programmes for quality, waste, pollution, risk reduction.**
- **Focus on providing a superior service and to exceed where possible expectations.**
- **Cultivate long term relationships with our customers.**
- **Provide training for the whole organisation to ensure that all staff are competent to fulfil their job function.**
- **Aim for flexibility, simplicity and teamwork.**
- **Provide a controlled, safe and environmentally hospitable workplace.**

This Policy is channelled through the Management System. To ensure that it is fully implemented, monitored and improved it is co-ordinated by a Management Team headed by a Senior Management Representative. The Management Representative has full authority to maintain the system in accordance with the Company's Policy and Procedures.

This statement represents the commitment of the Management and work force to the Policy.
